OCTOBER 2015

## From the Pastor's Desk...

We are in a very exciting time in the life of our church! The church board has appointed *David Harney Construction* to build our new church building at a price of \$1,443,344. David has been involved in the industry for over 40 years having built over 30 churches in addition to many other kinds of buildings throughout Australia and overseas. We're very excited about working with him, a committed believer who has been involved with the Christian Outreach Centre for many years.

Our project manager has also been appointed. *Ron Perel* is a man we've known for over 20 years (his wife Suki is a previous longtime member of Riverside Church). Ron has a wealth of experience in project management and was a partner in a major construction company in Brisbane. He has overseen many building projects in Australia and overseas, and is also a believer of Christ, coming to faith a few years ago.

We're in the process of securing a loan through our movement's financial arm, Australian Christian Services; we'll keep you posted as to when the loan is finally secured.

Please pray for a smooth building project, protection for all the workers onsite, and that there be no delays.

We've been given a timeline that indicates the building will be completed by February 2016. However, we're believing for it to be sooner.

God bless you, Church, for your faithfulness.

*Pastor Jim*
